

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 1473

January 17, 2018

SUMMARY OF BILL: Expands the definition of “state and local public benefit,” as it applies to the Eligibility Verification for Entitlements Act, to include any use of money provided by the state through taxes and in-state tuition.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Tennessee Code Annotated § 4-58-102 (7) defines “state or local public benefit” as any public benefit as defined in 8 § U.S.C. 1621, that is provided or administered by a state governmental entity or a local health department; and does not mean a benefit listed in 8 § U.S.C. 1621(b).
- The proposed legislation would add language to the definition to include any use of money provided by the state through taxes and in-state tuition.
- Expanding the definition of “state or local benefit” will not result in any change in in-state tuition eligibility requirements. Therefore, any impact to state government is estimated to be not significant.
